of A.L. of 'EONIES

"The Best In Peonies"

OUR A.L. of PEONIES

(A.L. doesn't mean "Always Late" but "ADVANCE LIST", it gives the lowest price we will sell at during the season.)

- THIS LIST IS FOR IMMEDIATE ORDERS AND SUBJECT TO PRIOR SALE -

We offer Good, Strong Divisions, 2-5 eyes plus fine roots. Dur peonies have never been used for cutflower purposes. The value, therefore, is many times that of plants that have been standing 8 or 10 years to cut from, in fact our peonies are not to be compared with such stock. Our Peony Roots give MORE and BETTER flowers.

ALBATRE (Avelanche) Late, white, flecked carmine creamy collar. Waxy-white, very fragrant. A grand flower, opens like a rosebud. One of the best whites. 40.00 350.00 ALBERY CROUSSE, Late, rose-white, fragrant.
